

2010-2011 STUDENT REGISTRATION FORM

Thank you for your interest in Children's House Montessori Preschool. Our goal is to deliver a quality Montessori education that is as unique as each child who walks through our door. If you have not already done so, please contact the school to set up a time to visit and observe the classroom with your child. It is through observation and conversations with our teachers that you will learn just how special the Montessori classroom is and how it will help your child grow.

In order to guarantee your child's enrollment, please fill out this registration form and return it to the school with your non-refundable registration fee of \$60 as soon as possible. If we receive your registration after our classes are filled you will be notified and if you wish, your child will be placed on our waiting list.

Please note that there is a \$50 tuition savings with paid registration by March 15th and a \$100 tuition savings for paying tuition in full by August 15th. Additionally, families who will have two or more children enrolled will receive a 10% sibling tuition discount. We also give referral discounts of \$50 per family.

Remember, Children's House Montessori offers the luxury of flexibility and can often make modifications to our regular schedule to accommodate family and child needs. Please feel free to call the school with any questions you may have.

Lunch Bunch: The program runs from 11:30am till 12:30pm M-Fr. Children enjoy a group lunch (which parents provide), participating in all areas of set up and clean up, followed by group social time and projects, and closing their day with listening and story time. A minimum of 4 children required to run the program each day. The goals of the lunch program include the following:

1. To enhance the Montessori community experience by providing a social dining setting.
2. To practice grace, courtesy, and manners required for eating and sharing food properly.
3. To foster basic self-care skills for independence in caring for one’s own nutritional needs.
4. To develop basic hygiene practices and participate in clean-up activities.
5. To provide the experience of transition to all day setting.
